

PUBLICIS GROUPE

COMMUNIQUÉ DE PRESSE

Publicis Groupe en deuxième position à Cannes avec 101 Lions

Paris, le 24 juin 2008 – Le 55ème Festival international de la publicité « Cannes Lions » s'est conclu sur une note très positive pour Publicis Groupe qui a remporté un total impressionnant de 101 Lions, comparé aux 93 récompenses de 2007.

Publicis Groupe se situe ainsi au deuxième rang des agences les plus primées, derrière Omnicom. C'est un résultat remarquable étant donné sa taille par rapport aux autres grands groupes, et qui prouve, une fois de plus, que Publicis Groupe est le groupe qui concentre en son sein le plus de talents créatifs du secteur publicitaire.

Les agences de Publicis Groupe ont obtenu 1 Grand Prix, 16 Lions d'or, 34 d'argent et 50 de bronze au total. Les talents du groupe ont été récompensés dans toutes les catégories, notamment film (22 Lions), presse (22 Lions), affichage (13 Lions), cyber (9 Lions), radio (8 Lions), médias (8 Lions), direct (6 Lions), et design (5 Lions). Saatchi & Saatchi est le réseau qui a fait la plus belle moisson en récoltant 43 Lions, avec de belles performances également pour Leo Burnett (30 Lions) et Publicis (17 Lions). Fallon et BBH ont reçu 5 Lions, des belles performances à souligner. Les jurés ont également reconnu le talent créatif d'Optimedia en lui attribuant 1 Lion.

Maurice Lévy, Président du directoire de Publicis Groupe, s'est réjoui de la nouvelle : « *Le Festival Cannes Lions reste l'une des grandes références de notre secteur, qui nous permet de comparer notre performance créative à celle de nos concurrents. Ces résultats me rendent particulièrement fiers du talent et de la performance créative de notre Groupe, et reflète la passion de nos équipes et leur engagement dans le service aux clients.* »

Toutes les créations primées sont présentées sur le site : www.publicisgroupe.com
